HARBORTOUCH

Harbortouch Payments, LLC is a leading business technology company and pioneer of the POS-as-a-Service business model, having served over 300,000 merchants in 17 years in business and currently processing more than $12B annually. The company offers a revolutionary free equipment program that delivers best-in-class POS systems with no up-front costs, including state-of-the-art hardware, premium software, custom programming, professional installation, onsite training and 24/7 support. A six-time Inc. 500/5000 honoree and recipient of numerous industry awards, Harbortouch has been widely recognized for its innovative and disruptive POS and payment solutions. We are focused on delivering unparalleled value to our clients and are driven by innovation, design, and technology.

Job description

In this role, you'll work collaboratively with other members of the technology group and partners to design and implement various components of the Lighthouse portal – a mission critical cloud component of the Harbortouch's POS solution, ensuring its scalability to support 100k+ merchants and 10k+ transactions per second. You will contribute to design of RESTful API end points to allow for growth of developer marketplace while ensuring advanced security and data integrity.

Requirements

● BS/MS in Computer Science or related area

● Advanced knowledge of Node.js / Ember.js

● Understanding of enterprise software design patterns, SOA, RESTful services, data structures

and multi-threading

● Experience designing, implementing, and scaling large scale, enterprise-wide solutions

● Experience designing or implementing RESTful APIs

● Strong experience with SQL and NoSQL databases

● Experience with data caching

● Strong problem solving and communication skills

● Demonstrated ability to work well in a fast-paced, multi-disciplinary team environment

● Ability to learn, adapt and have an open mind

We offer

- An exciting opportunity to work in an international environment;

- A development-focused innovative company with a variety of challenging and compelling projects;

- The opportunity to grow in an informal work environment;

- Great communication and management styles;

- The opportunity to work in the United States at Harbortouch HQ for a significant amount of time;

- Competitive salary and performance-based bonuses;

- Highly skilled team of colleagues and numerous career opportunities;

- Other great benefits!!!
